PETITION TO CORRECT SPELLING OF INVENTOR NAME

UNDER 37 CFR § 1.181 AND RESPONSE TO DEFECTIVE RESPONSE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Commissioner:

The Applicant hereby petitions the Commissioner to accept the Declaration and Power of Attorney of the above-identified application filed in response to the Notice to File Missing Requirements on March 14, 2008. The Notification of Defective Response dated May 14, 2008, indicates that "the spelling of the third inventor's first name on the declaration does not correspond with the spelling on the published application."

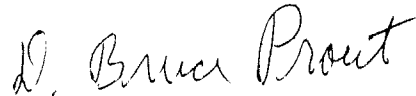

Applicants advise that the inventor's name was inadvertently misspelled as "Shangri" in the International Application. The correct spelling of the inventor's first name is "Shengqi." This is an obvious clerical spelling error of two letters. Acceptance of the corrected spelling "Shengqi" contained in the signed Declaration is requested. A copy of the Declaration and Power of Attorney as signed by Mr. Shengqi is enclosed for your reference.

Application No. 10/563,471

Applicant believes that due to the fact that there was an obvious spelling error in the International Application, no fees are due to make the correction in the subject application. However, the Commissioner is hereby authorized to charge any fees under 37 CFR 1.16 and 1.17 which may be required by this paper to Deposit Account No. 03-1728. Please show our docket number with any charge or credit to our Deposit Account. A copy of this letter is enclosed.

Respectfully submitted,
